EXT. SPACE. DAY

A small light glows against the dark void of space and flickers like a candle.

KYROS (NARRATION)

In a system far away but closer still, there lies a star where dragons live.

The light explodes into a colorful display of stars and planets.

KYROS (CONT'D)

This is the Raddmoses Kingdom, a kingdom of 21 planets all united under the Raddmoses Crown.

The surfaces of the planets are shown with architecturally beautiful cities and lush colorful and green landscapes.

KYROS (CONT'D)

The dragons who live in the kingdom have lived in peace for many years. But a darkness would rise.

The camera zooms in on the planet Deminos, a jungle world, piercing its atmosphere showing chaos and war on its surface. Darcladis and the Confederate Union are fighting Raddmoses knights.

KYROS (CONT'D)

On Deminos, A dragon named Darcladis rebelled against the Raddmoses kingdom, believing the kingdom to be corrupt. Darcladis used his elemental powers and his army called The Confederate Union. Darcladis eventually conquered Deminos.

The camera zooms in on Darcladis's red crimson eyes and transitions to a map of the Raddmoses system with seven planets colored red and others green.

KYROS (CONT'D)

Many worlds would start to believe the lies of Darcladis and 7 worlds would leave the Raddmoses Kingdom.

One planet is outlined in both red and green.

KYROS (CONT'D)

One world that considers leaving is a planet named Corelate. On this world a violent crisis would spawn. And one dragon will rise. The very dragon I have been looking for.

CUT TO

INT. IYONS BEDROOM. DAY

Iyon, a young beige colored dragon with short horns (Corelation), is dreaming, in that dream there are 8 golden pillars. In front of those pillars there is a large, white angelic dragon. It touches Iyon's head. Immediately Iyon's scales turn bronze and his eyes turn white. At this point Iyon awakes from his dream. Iyon awakes on his sandstone bed in a cramped messy bedroom. Books are strewn across the bed and window sill.

Vandor, Iyon's father and a very tired, burnt out Corelation dragon, walks into Iyon's room. He leans on the door frame with a smile.

VANDOR

Iyon you're up early.

Iyon tumbles out of bed and onto the floor.

IYON

I had the dream again dad.

VANDOR

The angel one?

Iyon nods his head.

VANDOR (CONT'D)

Well you can tell me about it on the way to work.

Iyon gets up and walks down a cramped dusty sandstone hallway with his father. Vandor opens the weathered wooden door and enters the dusty streets of Sorrowgale.

EXT. SORROWGALE STREETS. DAY

Iyon and Vandor walk the cramped, crowded, and dusty streets of Sorrowgale, a cramped slum in the desert with buildings made of sandstone and scrap metal. Rundown wooden shops dot the streets with dragons selling various items.

Additionally many dragons are armed with guns displayed very prominently. Raddmoses knights patrol the streets. Some dragons burn a flag with the Confederate Union symbol. In the background a large hologram of a dragon news reporter speaks.

DRAGON NEWS REPORTER

At least 13 dragons are dead after Pro Confederate Union terrorists detonated a bomb in the south of Sorrowgale last night. The Blue Guard are investigating the attack.

Iyon and Vandor run into a very crowded area and get separated. Iyon bumps into Kyros, a purple dragon with many scars and very anxious all the time.

IYON

I am so sorry.

KYROS

It's fine it's fine everything is fine.

Kyros bends down to pick up his bag that dropped.

IYON

Are you ok?

KYROS

I have been worse.

Kyros pauses when he looks up at Iyon and quickly takes out a photo showing it to Iyon.

KYROS (CONT'D)

Have you seen this dragon?

The picture is of a bronze dragon with white eyes.

IYON

I-I have not seen that dragon, not in this system at least.

KYROS

I thought they were here anyway thank you.

VANDOR

There you are Iyon, you know how dangerous these streets are?!

IYON

I'm ok I was just talking to-

Kyros was nowhere to be found like he had disappeared into thin air.

VANDOR

I don't want to lose you the same way I lost your mother.

Iyon and Vandor continue their walk to work, a fruit stand they rent. Standing by this stand was a dragon named Alkatig, a short, fat, greedy dragon who only cares about himself.

VANDOR (CONT'D)

Oh no!

ALKATIG

Well Vandor Rents due.

VANDOR

It's only been a week, rent is every two weeks.

ALKATIG

Well I need my money, I need to pay off some debt.

VANDOR

Your gambling loss is not my problem.

ALKATIG

It is as I own you.

As Alkatig and Vandor argue, Iyon's scales gradually turned bronze and eyes turned white. A Raddmoses knight named Sev, a friend of Vandor and a very caring dragon, approached from behind Alkatig and picked him up.

SEV

Well Vandor who we got bothering you today?

ALKATIG

PUT ME DOWN! THIS IS NO WAY TO TREAT A RADDMOSES CITIZEN!

SEV

You run along now little dragon before I really hurt you.

Sev dropped Alkatig to the ground.

ALKATIG

I will be reporting this to your commanding officer.

SEV

I am the commanding officer.

Alkatig runs away.

VANDOR

Thanks Sev.

SEV

No problem Vandor, I don't know why you rent from that dragon.

Vandor goes behind the small stall, turns on a small grill and puts a small fruit kabob on it.

VANDOR

He was the only one I could rent from, you know money has been tight ever since Ella died.

SEV

I remember her, she was a good dragon and a good mother.

A small ding goes off, Vandor takes the fruit kabob off the grill and hands it to Sev.

SEV (CONT'D)

3 Raddens as usual?

VANDOR

It's on the house.

Sev takes out 3 golden coins and slides them over to Vandor.

SEV

Consider this a donation from his majesty.

Vandor smiles and places the coins in a small jar. Sev turns to Iyon.

SEV (CONT'D)

Speaking of his majesty, there are small rumors that the King himself may be coming to Corelate.

Iyons eyes widen.

IYON
 REALLY, the king is coming here?!

SEV
 Although it is speculative he may be giving a public address to the dragons of Sorrowgale and the surrounding cities. I could get you front row seats, if thats ok with Vandor?

IYON
 Can I go dad please?

Vandor sighs and smiles.

VANDOR
 Only if you stay close to Sev ok?
 When is the king coming?

SEV
 In a few days time, the exact date has not been given due to security risks. But I can assure you, The Confederate Union will not be a problem.

CUT TO

EXT, DARCLADIS'S MONESTARY, DEMINOS, NIGHT

General Rydell, a tall slender blue dragon (Andryian) waits impatiently on a landing pad. The landing pad is on a cliffside over a jungle. A shuttle lands. Lord Darrmoses, a broad black and sliver dragon (Raddmodian) steps off it, clutching his cloak tightly. It is raining heavily.

RYDELL
 You're late!

LORD DARRMOSES
 I am aware.

Lord Darrmoses pushes past Rydell.

RYDELL
 Darcladis has started the meeting without you.

Lord Darrmoses stops and turns to Rydell.

LORD DARRMOSES
Without out me?!

Lord Darrmoses glances up to the landing pad and sees another shuttle.

LORD DARRMOSES (CONT'D)
I was not informed other dragons
would be here, who are they?

RYDELL
A dragon from the Federation,
Darcladis wishes for you to meet
them.

The two dragons enter Darcladis's monestary, a large monolithic structure.

INT. DARCLADIS'S MONASTERY, NIGHT

Rydell and Lord Darrmoses walk to Darcladis's meeting room in a dark and foreboding hallway, occasional lightning strikes seep through large black stain glass windows; the only light source for the hallway.

As the two dragons approach Darcladis's meeting room a voice gets louder.

LAGERIS
The Skrillan Federation will be able to fund your endeavor for the next 5 years, however, if you want war Darcladis you will need a...catalyst for war. This will allow me to allocate more funds for your little union here. I believe with this partnership our shared goal will be....achieved.

Lord Darrmoses and Rydell enter the meeting room. Darcladis sits on a throne with Lord Wyvern and Darcayus next to him. The thrones sit under a large round black stained glass window. Next to the thrones are two giant glass orbs with crimson smoke inside the orbs.

Darcladis, a black strong dragon with crimson red eyes and slightly schizo, rises.

DARCLADIS
Lord Darrmoses, welcome.

Lord Darrmoses kneels.

LORD DARRMOSES

Darcladis.

Darcladis sits back down and gestures his talon towards Lageris a green and bronze blind dragon with thick goggles on his face. Lord Darrmoses rises.

DARCLADIS

Lord Darrmoses I do not believe I have introduced you to our financial backer, Lageris.

LORD DARRMOSES

I do not believe we have been acquainted yet.

LAGERIS

So you are the dragon. I have heard sooo much about you. I would like to thank you for your service to our great endeavor, you have made my job, so much easier.

Lageris turns to Darcladis.

LAGERIS (CONT'D)

I believe I covered all the things I meant to say, I shall make my leave Darcladis.

Lageris leaves the room with the two big doors slamming hard. Disembodied voices murmur outside the doors.

DARCLADIS

Now then, Lord Darrmoses what do you bring to me today?

Lord Darrmoses clears his throat.

LORD DARRMOSES

As you all are aware of the ongoing crisis on Corelate, because of this I have just left a meeting with my brother, during that meeting he mentioned he has called for an emergency meeting of the Raddmoses Congress. Lord Virrin will be addressing the congress as well.

Demonic disembodied voices are heard throughout the throne room, Darcladis leans forward and grins. The voices get louder, Darcladis gets more irritated.

DARCLADIS

Ah yes Lord Virrin, I was under the impression we had a mutual agreement with each other about this mess?

LORD DARRMOSES

Unfortunately Lord Virrin believes the Confederate Union are terrorists.

Lord Wyvern, a green spindly dragon with one horn missing (Wyrvanian) jumps to his feet, wings spread.

LORD WYVERN

Terrorists! Does he not know what Raddmoses had done to Deminos and the other worlds who wish to join us and the corruption the drips from-

Darcladis turns to Lord Wyvern.

DARCLADIS

QUIET!!!!

The demon disembodied voices fill the room louder than before and gradually get quieter. Darcladis mummurs something to himself and laughs. Lord Wyvern sits back down.

Lord Darrmoses gulps.

LORD DARRMOSES

If you were to strike it would be then. My brother and the entire Raddmoses government would be present there.

Darcladis puts his talons together and grins.

DARCLADIS

When is the meeting?

LORD DARRMOSES

4 months from now.

DARCLADIS

Very well, we shall have our catalyst. We shall strike Raddmoses then.

LORD DARRMOSES
Darcladis, I do have one more
thing.

DARCLADIS
And that is?

LORD DARRMOSES
During my meeting with my brother
he sent the heirs to Corelate. But
an elemental envoy was sent with
them.

DARCLADIS
Why?

LORD DARRMOSES
There has been an elemental
anomaly, a dragon with incredible
elemental powers.

Darcladis rises, the disembodied voices get louder and
Darcladis pauses.

DARCLADIS
This is most disturbing. I have
felt this anomaly recently.

Darcladis grins.

Darcladis sits down, and puts his talons together

DARCLADIS (CONT'D)
Now, it is decided, we shall go to
war with Raddmoses, we must destroy
this anomaly before we can
continue. I expect more information
from you Lord Darrmoses.

LORD DARRMOSES
I shall provide.

Darcladis rises from his throne, Lord Wyvern and Darcayus do
as well.

DARCLADIS
I believe we are finished here. You
are all dismissed.

As all the dragons file out, Darcladis approaches Darcayus
and puts his talons on his shoulder.

DARCLADIS (CONT'D)

I want you to go to Corelate and find this anomaly. There will be no capture, You are to find them and kill them.

DARCAYUS

Yes Darcladis, I shall end them.

DARCLADIS

You better, Darcayus for your sake.

DARCAYUS

I will not fail you.

Darcayus leaves the throne room and the throne room doors close. As Lord Darrmoses walks to the landing pad, Lord Wyvern approaches him.

LORD WYVERN

Lord Darrmoses.

LORD DARRMOSES

Lord Wyvern.

LORD WYVERN

It is good to see an old friend again.

LORD DARRMOSES

It has been awhile.

LORD WYVERN

You must be... excited about this.

Lord Darrmoses remains silent

LORD WYVERN (CONT'D)

Why the silence, you have told me many times over the years, it was all you used to talk about, now you remain silent?

Lord Darrmoses stops.

LORD WYVERN (CONT'D)

Are you having... second thoughts?

The two dragons go silent. Lord Darrmoses turns to Lord Wyvern.

LORD DARRMOSES
No, its just...

LORD WYVERN
Just what, old friend?

LORD DARRMOSES
I never believed I would go through
with this. I feel no guilt nor
happiness, but more a mix of hatred
and remorse.

LORD WYVERN
Don't worry old friend, when your
slimy brother's head is served on a
platter, you will have this empty
feeling filled.

LORD DARRMOSES
I hope so.

Lord Darrmoses puts his hood up, steps out onto the landing
pad and boards his shuttle. The shuttle takes off. Lord
Wyvern watches from the doorway.

CUT TO

INT. RADDMOSES CRUISER, SPACE

Prince Jramica, A young, strong silver dragon (Raddmodian)
dressed in regal clothing, stands on the busy bridge of a
Raddmoses Cruiser in transit to Corelate, he stares out into
the vastness of space, Enter Prince Dramato, a black
Raddmodian (Similar in appearance to Lord Darrmoses) dressed
in royal Raddmodian golden armor. Prince Dramato stands to
the left side of Jramica.

DRAMATO
It is good to see you brother.
Jramica smiles.

JRAMICA
It's good to see you too brother,
how was the academy?

DRAMATO
It was rigours and a bit boring,
I'm just glad to be back home.

The two dragons gaze out into space.

DRAMATO (CONT'D)

I thought father would be joining us on our trip.

JRAMICA

He has his talons tied at the moment, what with this crisis and the congressional meeting, it was Uncle Darrmoses's idea. He thought father needed a break.

A golden guard captain (a royal Bodyguard) approaches the two dragons, the captain is a large golden Raddmodian.

GUARD CAPTAIN

My lords we are approaching Corelate soon your shuttle is waiting on Hanger N27.

The heirs walk through the mechanical halls of the Raddmoses Cruiser moving past other naval dragons. The heirs enter an elevator and ride it down to a small hanger. There a golden raddmodian shuttle was docked with technical naval dragons running around it getting it ready to takeoff. By the boarding ramp stood a cloaked dragon with an elemental staff in its right hand, the dragon was a silver Raddmodian, the dragon was speaking with a Raddmoses pilot. The dragon then turned to speak with the heirs.

GUARD CAPTAIN (CONT'D)

My lords may I introduce to you the Shak Ra, personal envoy of Grand mystic Malldus.

SHAK RA

It is a pleasure to meet you young lords.

Shak Ra bows.

JRAMICA

What brings you to us Shak Ra?

SHAK RA

Malldus's orders he has detected an elemental anomaly on Corelate that is vital to his research.

DRAMATO

What kind of an anomaly?

SHAK RA

He believes it to be a dragon, a young one.

DRAMATO

What is so special about this dragon?

SHAK RA

Malldus would not go into too much detail, all I know is that this dragon is a very powerful elemental. Malldus believes he can complete his research with this dragon.

JRAMICA

We will be honored to assist the grand mystic.

The heirs and Shak Ra bow, a Raddmoses pilot approaches

RADDMOSES PIOLT

My lords the shuttle is ready to take off.

The heirs and the Envoy enter the shuttle. It takes off and leaves the hanger.

CUT TO

EXT, SORROWGALE STREETS, CORELATE, DUSK

Iyon leans on the counter of the fruit stand flicking a small dried up piece of fruit back and forth with his talon, Vandor is cleaning up the stand, sweeping the sand on the metal floor of the fruit stand. Iyon flicks the piece of fruit off the stand and sighs.

IYON

Dad?

Vandor looks up from sweeping

VANDOR

Yes Iyon?

IYON

I was wondering, could I go with Sev tomorrow to see the princes?

VANDOR

Iyon you know it's too dangerous to go to big events. 13 dragons died just a few days ago I can't lose you like I lost your mother.

IYON

Sev said security would be tight.

VANDOR

Even so pro Confederate Union terrorists still sneak past.

Sev approaches the stand, he is leading a patrol of Raddmoses Knights.

SEV

Hey Vandor how's business?

VANDOR

It was pretty good today, though we didn't get as many dragons as we usually get. What are you doing out here?

SEV

Just patrolling keeping the streets safe before the princes arrive. Say is Iyon coming to see them?

VANDOR

Unfortunately no, I feel like it's too dangerous.

SEV

I would disagree Vandor, my unit has searched these streets for the past week and haven't seen any pro Confederate Union forces anywhere. I can assure you it is safe. Besides its not often you see the crown princes of Raddmoses

Vandor looks to Iyon, Iyon stares back with stars in his eyes.

VANDOR

We can talk about it later.

SEV

If you change your mind, just give me a call.

Sev and the patrol leave the street.

Vandor and Iyon close down the stand for the day and walk home together. The streets of Sorrowgale are empty as the sun sets. The streets are illuminated by red and yellow string lights and lights from the closely packed sandstone houses. Vandor and Iyon eventually get to their house. Vandor opens the door and the two dragons walk inside.

INT. IYON'S AND VANDOR'S HOUSE. NIGHT

Vandor and Iyon are in their small dimly lit kitchen, Iyon sits on a small wooden stool while he eats a grey mush from a square metal dish. Vandor stands over a large pot containing some grey mush. Vandor pours himself some mush and sits down with Iyon. Iyon looks up.

IYON
So?

VANDOR
No!

IYON
But why, you heard what Sev said its safe.

Vandor pauses.

VANDOR
I could not live with myself if you died in an attack, I can't lose another dragon that I love to those damn terrorists.

Vandor lets out a tear.

VANDOR (CONT'D)
Your mother was a very sweet and beautiful dragon, when she died in my arms, I promised her that I would keep you safe and provide a better life for you and I am going to keep my word to her.

Vandor pauses and looks at Iyon.

VANDOR (CONT'D)
I hope you understand.

Iyon nods.

VANDOR (CONT'D)
I love you Iyon.

IYON
I love you too dad.

The two dragons finish up their dinner, after which Iyon heads up to his bedroom.

INT. IYON'S BEDROOM. NIGHT

Iyon enters his cramped messy bedroom, he leans down under his bed and picks up a lantern and a battery pack. Iyon puts the battery pack into the bottom of the lantern. The lantern glows with a red light. Iyon climbs out his window and onto the metal sheet roof of his home.

EXT IYON'S HOUSE ROOF. NIGHT

Iyon sits on the roof of his house and gazes up at the stars that dot the night sky. As Iyon gazes, Kyros appears on the right side of Iyon.

KYROS
So you aren't going?

Iyon jumps a bit.

IYON
Your that one dragon, how did you-

KYROS
Listen, I don't have much time. I just need you to listen. You have to go to see the princes.

IYON
But why though?

KYROS
I can't explain too much, just-

Kyros puts his talon on Iyon's head. Everything goes black. Then Iyon has a vision. In the vision there is a parade going down a street in Sorrowgale. One of the princes is waving to the dragons lining the street just then a Pro Confederate Union dragon throws a bomb at one of the princes. The bomb kills the prince. Kyros lifts his talon off Iyon's head, and Iyon comes to.

KYROS (CONT'D)
You have to stop the attack.

IYON

Why me, why can't you tell the Blue guard?

KYROS

They would arrest me.

IYON

Still why me?

KYROS

You will know in time.

Kyros then disappears into thin air leaving Iyon alone.

EXT. CORELATE DESERT. DAWN

A small jagged triangular ship lands in the desert outside Sorrowgale. Inside the ship Darcayus sits in the cockpit and turns on a hologram, Darcladis appears on the hologram.

DARCLADIS

What is it?

DARCAYUS

I have landed on Corelate just outside of Sorrowgale. I shall begin my search for the elemental anomaly here. Additionally I have connected with a local pro Confederate Union militia cell and have requested their aid.

DARCLADIS

Report back on your findings to me, I want this dragon found.

DARCAYUS

Understood.

Darcayus shuts off the hologram, puts on a cloak and exits his ship. Heading towards Sorrowgale.

CUT TO

EXT, SORROWGALE LANDING PAD, CORELATE, DAY

A Raddmoses shuttle lands on a private landing pad lined with Raddmoses knights in parade formation on the landing pad. As the shuttle door open Prince Jramica, Prince Dramato and Shak Ra step off it. Royal music play as they walk.

The 3 dragons are greeted by the lord of Corelate, LORD VIRRIN, a small timid Corelation who wore beige and green royal garb.

LORD VIRRIN
Welcome to Corelate your majesties.

Lord Virrin bows.

JRAMICA
It is an honor to be here.

Lord Virrin, the heirs and Shak Ra head towards two separate red and gold royal limousines like speeders at the end of the landing pad.

LORD VIRRIN
I am delighted to report that Sorrowgale has not reported a single Pro Confederate Union attack in over 2 weeks. We shall offer the best security during your time here at Corelate.

Lord Virrin turns to Dramato.

LORD VIRRIN (CONT'D)
Who's the elemental?

DRAMATO
That is Shak Ra, sent on assignment from grand mystic Malldus himself, the rest is classified, even for us.

The dragons approach the limousines like royal speeders and a golden Guard Dragon stands in front of them, she bows.

GOLDEN GUARD DRAGON
My lords for security reasons we must have both heirs in separate speeders.

Jramica and Shak Ra get into one speeder while Dramato and Lord Virrin get in another. The two motorcades go off in separate directions.

CUT TO

INT. IYON'S BEDROOM. DAY

Iyon wakes up on his bed and looks out his window. He sees many dragons walking to the main road of Sorrowgale to meet the princes. Iyon quickly gets out of bed, tripping over himself and rushing down the stairs.

INT, KITCHEN, DAY

Vandor is sitting at a wooden table eating mush, he looks up to see Iyon racing through the small kitchen, knocking over dishes with his tail. Before Iyon can even get to the door Vandor stops him.

VANDOR

Why are you in such a rush?

Iyon stops.

IYON

Ummmmm, I'm getting- fruit yeah
fruit from the market.

VANDOR

I thought I said I didn't want you
to go anywhere especially today.

IYON

You only said I couldn't see the
princes though.

VANDOR

I'm not having this conversation
again Iyon. You are staying in this
house and that's final!

IYON

But I-

VANDOR

No buts!

Iyon storms up to his room.

INT. IYON'S BEDROOM. DAY

Iyon slams his door shut and sits on his bed, after a while he decides to go out his window.

EXT. SORROWGALE STREETS. DAY

Iyon jumps the 8ft out of his window and lands with a thud on streets, with sand breaking his fall. Iyon brushes past dragons as he navigates the small cramped road that leads to the main road.

INT, KITCHEN, DAY

Vandor finishes his mush, slowly walks up the stairs and sits down at the base of Iyon's door.

VANDOR

Iyon I'm sorry I yelled, I'm just worried about you ok. Look I will make it up to you I promise ok, what do you say?

There was no response.

VANDOR (CONT'D)

You ok Iyon?

Silence

Vandor opens the door to Iyon's room

INT. IYONS BEDROOM. DAY

Vandor steps into Iyon's room to find that he isn't in there. Vandor rushes to the window and looks over it. In the sand he sees a vague imprint of a dragon and footsteps leading to the main road.

VANDOR

Oh no!

Vandor races downstairs and rushes out to the streets of Sorrowgale.

CUT TO

EXT, SORROWGALE STREETS, DAY

Iyon moves frantically around the tight streets of Sorrowgale. He weaves in between dragons who line the edge of the main road. Iyon runs into Sev.

SEV

Hey Iyon whats-

IYON

Listen Sev I don't have much time,
there is going to be a-.

Just then trumpets can be heard as Golden Guard Dragons on hover bikes clear the streets, soon the royal Motorcade passes by.

Out of the corner of Iyon's eye he sees a suspicious looking dragon step forward holding a bomb in his talons. The dragon prepares to throw the bomb at the motorcade

PRO CONFEDERATE UNION TERRORIST
DEATH TO RADDMOSES!!!!!!

The terrorist throws the bomb. As the bomb hurtled to the motorcade a voice spoke in Iyon's head.

ANGEL DRAGON
Save them my child.

In an instant Iyon jumps in front of the bomb as it explodes. As the dust settles Iyon stands in front of the royal motorcade his scales are all bronze and his eyes are white. Iyon had used elemental powers to create a bronze shield around the motorcade. Iyon collapses to his knees. Sev races over to Iyon.

SEV
Are you ok Iyon?

IYON
I'm- I'm ok.

Sev helps Iyon to his feet, Shak Ra exits the royal speeder and approaches Iyon.

SHAK RA
You...you are the anomaly, I have never seen such power come from a dragon like this.

Prince Jramica exits the speeder elemental staff in his talons.

JRAMICA
What is all this?, what happened?!

SHAK RA
The anomaly has saved your life from the terrorist.

Jramica looks at Iyon

JRAMICA
That was you?!

Soon Vandor rushes over to Iyon hugging him with tears in his eyes.

VANDOR
Iyon are you ok?

JRAMICA
Is this your son?

VANDOR
This is my son yes.

Vandor looks up at Jramica.

JRAMICA
He saved my life, if he wasn't here
I would have surely been dead.

Iyon then passes out.

CUT TO

INT. IYON'S BEDROOM. DAY

Iyon awakes in his bedroom dazed and confused, his vision is blurry, Iyon's eyes focus on Jramica who is sitting next to Iyon's bed. Iyon hears voices coming from downstairs.

JRAMICA
Are you ok?

Iyon rises from his bed sits on the side of it.

IYON
I feel....ok.

Iyon's eyes widens.

IYON (CONT'D)
Y-You're the Prince!

Jramica laughs.

JRAMICA
You don't remember what happened?

IYON

A little bit, all I remember was a flash and... bronze. How long was I passed out?

JRAMICA

Around 5 hours.

Iyon stands up from his bed, the voices downstairs become more understandable, Iyon leaves his bedroom and walks downstairs, Prince Jramica follows.

INT. IYON AND VANDORS KITCHEN. DAY

Iyon pushes past the Raddmodian Golden Guards that stand at the bottom of the stairs. Shak Ra is seated at a table with Vandor. Shak Ra is talking with Vandor.

SHAK RA

And how long has Iyon exhibited elemental powers to this degree?

VANDOR

Since he was very young, he hasn't had any formal teaching of it. I don't really know why it triggers.

Shak Ra notices Iyon and turns to Iyon.

SHAK RA

Ah you are awake Iyon.

IYON

Who are you?

VANDOR

Iyon, this is Shak Ra, an elemental envoy.

IYON

You're an elemental!

Shak Ra rises from his chair and walks towards Iyon.

SHAK RA

Correct, sent by High Mystic Malldus to seek out an elemental anomaly. An anomaly I believe to be you.

IYON

Me?

SHAK RA

Yes you, while you are undisciplined and your skills in controlling existent. You and your powers are unique. I in my 40 years of working with Malldus, have never seen such an elemental. That is why I am asking you to come with me back to Raddmoses to help assist with Malldus's research.

Iyon looks to his father who still sits at the table.

IYON

What about my father?

SHAK RA

Unfortunately, Malladus requested you alone. You must have zero distractions as you and Malldus learn of your powers.

Vandor walks over to Iyon and puts his talons on his shoulder.

VANDOR

Iyon, this is a great opportunity. Your mother would want you to go. This opportunity will give you a better life. I will be safe and more importantly so will you. The choice is yours Iyon.

Iyon stares back at Shak Ra and Vandor, tears in his eyes.

IYON

No I can't go, I can't leave my Father.

Iyon runs out of the house, Vandor tries to stop him but Shak Ra puts his talon on Vandor's shoulder.

SHAK RA

Let him go, he will be back.

CUT TO

EXT.CORELATE DESERT. DUSK

Iyon walks to the edge of Sorrowgale, tears in his eyes. He sits on a sandy hill covered in hundreds of thousands of pink, green, white and red desert lilies.

The sun is setting behind the dunes of the Corelation sands. Iyon holds a red desert lily in his talons. Kyros appears seated next to Iyon.

KYROS

So now you understand why I speak to you?

IYON

I can't go, I can't leave father.

Kyros sighs and picks a flower.

KYROS

You, like me are an elemental. Unlike me you are a catalyst.

IYON

A catalyst?

KYROS

Yes, You see throughout the universe 21 elements make up everything you see around you; such as fire, water, grass and many others. Some dragons can control one of the these elements, these dragons are what are known as elementals.

Kyros waves his talon and a purple mists surrounds it.

KYROS (CONT'D)

I myself am an elemental who can control the element of time. You are one of the few dragons that can control all 21 together, and then some. Elementals like you are called catalysts.

Through great training and discipline elementals can do wonderful things. That is why you must go to Raddmoses.

IYON

I can't leave.

Kyros puts his talon between Iyons eyes.

KYROS

Let me show you why you should.

Iyon's vision goes to black.

INT. IYON'S MIND. DUSK

Iyon awakes in Sorrowgale. Iyon sees the city is engulfed in flames and in ruins. Sounds of battle surround him. In the sky above him 8 crimson pillars hang. Suddenly Darcladis appears from the smoke and attacks Iyon with his silver elemental staff. Then a bronze Dragon with white eyes slashes Darcladis in half with his bronze elemental staff.

The bronze dragon and Iyon stare at each other while Darcladis writhes and screams on the ground, his limbs reforming into metal. The bronze dragon decapitates Darcladis and his body disappears into crimson dust.

Then Lageris emerges, he removes his thick goggles from his face and a beam of bronze fires from his eyes towards Iyon and the bronze dragon. Another bronze dragon with white eyes blocks the beam with her bronze elemental staff.

She then charges Lageris and knocks him to the ground. Then 8 bells ring and the ground shakes. From the ground a large crimson dragon rises, it grabs Iyon with its large talons and brings Iyon to its face and stares into Iyon's eyes.

GORGOLA
I shall return.

Iyon wakes up.

EXT. CORELATE DESERT. DUSK

Iyon wakes up from his vision, Kyros stands over Iyon.

KYROS
There is a great darkness coming
Iyon, it already walks among us.
You must stop it, for the good of
all dragons. Before it's too late.

Before Iyon could speak, Kyros disappeared. Iyon stands up and runs back home.

Darcayus passes thru a curtain and enters a small room with a hologram table and a metal grate that lets in moonlight. Darcayus extinguishes the fire in his talons pushes a button on the table and kneels. Darcladis appears his hologram highlighted by the moonlight

DARCLADIS
Have you found the anomaly?

DARCAYUS
Yes Darcladis, a millta member who attacked the prince's convoy reported back to me.

DARCLADIS
Describe this anomaly, were they purple?

DARCAYUS
No, they were beige, they looked like a standard Corelation, however they did briefly turn bronze.

Darcladis's eyes widen.

DARCLADIS
Do you have the anomaly's current location?

DARCAYUS

At the moment I do not know its location.

DARCLADIS

I expect better from you Darcayus, fortunately for you Lord Darrmoses has informed me that the anomaly is currently with one of the princes.

Darcayus hangs his head low.

DARCLADIS (CONT'D)

Now you have an opportunity to redeem yourself. Lord Darrmoses has informed me the princes will leave tomorrow morning and will leave via a shuttle from a landing pad just outside Sorrowgale. I am sending you coordinates to that landing pad, do not fail me again.

DARCAYUS

I won't fail Darcladis.

DARCLADIS

You better not.

Darcladis cuts the hologram and Darcayus leaves the small room.

Iyon and Vandor smile

VANDOR (CONT'D)

Your mother would be very proud of you. You will do great things Iyon.

IYON

Good-bye father.

VANDOR

Good-bye son, remember the sun will
rise in the morning and when it
does it will bring a new day, a new
beginning and a new tomorrow.

Iyon enters the prince's limousine speeder. As it pulls away Iyon looks out the window and sees his father waving good-bye to him, Iyon waves back until the image of his father fades in the distance.

JRAMICA

Yes, his name is Iyon.

EXT, SORROWGALE LANDING PAD RAFTERS, CORELATE, DAY

As the dragons talk on the landing pad Darcayus sneaks around the rafters. A Raddmoses Naval dragon spots him.

RADDMOSES NAVAL DRAGON

Hey you can't be in he-

Darcayus stabs the Raddmoses Naval dragon with his silver elemental staff.

As the dragon's body slumps to the floor Darcayus walks towards the shuttle, ducking behind crates and boxes. He spots a Raddmoses golden Guard. Using his silver elemental staff, Darcayus slashes the legs of the golden guard and their neck. Another golden guard rushes forward behind Darcayus but Darcayus stabs them in the face. Another golden guard attacks Darcayus but he blocks their attack and slashes their neck.

Two golden guards rush Darcayus but he lifts his talon and launches a blast of silver elemental power at them killing them. Darcayus rushes forward to the shuttle. Dramato turns to the pilot and screams.

DRAMATO
START THE SHUTTLE!!

The shuttle's engines roar and it begins preparations to take off, Darcayus launches himself, staff in talons, forward across the landing pad, targeting the open back door of the shuttle.

Prince Jramica and Dramato block Darcayus's attack with their golden elemental staffs. Shak Ra launches a blast of golden element, knocking Darcayus back. Shak Ra summons his golden elemental staff, leaps off the shuttle and duels Darcayus.

While the two dragons duel the shuttle takes off. Darcayus stabs Shak Ra, killing him, and launches a silver blast of elemental power at the shuttle but misses. Darcayus looks up at the shuttle as it disappears over the horizon.
