FADE IN:

INT - THE RAT HOUSE - DAY

TYLER and MORGAN sit in the living room, staring off into space. CHAD - the President of RAT - enters the room. He is louder and more awake than the other two.

CHAD
Rise and shine Pussies!

INT. ASIDE

CHAD
'Sup, my name's Chad, I'm a senior business major and the president of Rho Alpha Tau. I'd say we're definitely the hypest fraternity on campus, I mean if you ask anyone 'who holds the biggest ragers' they'd definitely say it's The RAT Pack.

INT. THE RAT HOUSE - CONTINUOUS

TYLER
C-Dawg! The fuck is up my guy?

He stands and the two bro-hug.

INT. ASIDE

CHAD
It's my last year on campus, so I've been looking for someone to carry on the RAT legacy when I'm gone, and I think Tyler is the man for the job.

INT. ASIDE

TYLER
Yo, I'm Tyler. I'm a junior finance major and the captain of the Lacrosse team - Go Spartans!

INT. ASIDE

CHAD
Tonight's the biggest party of the year, and I'm putting Tyler in charge. It's time to sink or swim bro.

INT. THE RAT HOUSE - CONTINUOUS

CHAD
We've got another big night
tonight!

MORGAN
Yeah, so about that-

Chad and Tyler look at him incredulously.

INT. ASIDE

MORGAN
Hey, I'm Morgan, but more people
know me as 'The Captain.' I'm a
sophomore accounting major and I'm
definitely the biggest player in
Rho Alpha Tau.

EXT. THE RAT HOUSE

MORGAN attempts to chat up a LADY JOGGER, who flips him off
in response.

INT. ASIDE

MORGAN
What can I say? I stay getting
bitches.

INT. THE RAT HOUSE

CHAD and TYLER still stare at MORGAN.

CHAD
What do you mean, 'about that?'

MORGAN
I got a hot date tonight. Sorry
'bout it.

Chad and Tyler are visibly offended.

TYLER
Dude, it's *Saturday*. Saturday is
for the boys!

CHAD
Bros before hoes, dawg.

TYLER
Yeah. Unless you're a simp.

MORGAN

Yeah? Maybe I'm just wanna listen to something other than Sicko Mode tonight.

Tyler scoffs.

TYLER

That's cap - everyone likes Sicko Mode.

Behind him, Chad reacts. **Ehh, do they?**

MORGAN

Nah.

The atmosphere is tense as the two square off.

INT. ASIDE

TYLER

If he want's to be a little bitch about it then fine. This is the first time Chad's let me plan the party and I'm not about to let some sophomore ruin it for me.

INT. THE RAT HOUSE

TYLER

Aight, bet. *Simp.*

MORGAN

Call me what you want, but I stay catching bodies.

INT. ASIDE

CHAD

I mean, The Captain's my boy, but he's been rubbing some of the guys the wrong way lately. He hit my vape without asking at the big Gaspy party last year. Shit's mad disrespectful.

TYLER

Morgan isn't even his real name! He just says that so the fuckin' nickname works - I'm pretty sure it's actually like James or something...

MORGAN

You know, the other guys talk big,
but I think they're just jealous
because I'm the only one who got
puss at the party last Saturday.

STACY

Yeah... he puked all over me and
then passed out thirty seconds in.

INT. THE RAT HOUSE - CONTINUOUS

CHAD

Aye, chill! Cap - good luck with
the date, man. T-bag, what we
drinking tonight?

TYLER

You know I got 'ronas in the
garage!

CHAD

Fuck yeah!

TYLER

Fuck yeah!

MORGAN

You... you got 'ronas?

TYLER

Yeah. What about it?

INT. ASIDE

Morgan looks sheepish as he addresses the camera.

MORGAN

You know... she's not *that* hot.
