

Dear Future Employer,

I would like to express my interest for a job position at your company. I am currently a Junior studying at the University of Tampa as an Animation Major and a Film and Media Arts Minor with a GPA of 3.71. My dream job would be a position at your company.

My interests are in all forms of animation with my main focus being 3D modeling and 2D animation. I also have a strong interest in film editing, sound, and post production work. I enjoy experimenting with multiple styles and techniques to bring different characters to life into the realm of animation in every project I work on. I have experience in Adobe Illustrator, Adobe Photoshop, Adobe Premiere Pro, AVID Media Composer, Autodesk Maya, Maxon Cinema 4D, Final Draft, and Toon Boom Harmony. Additionally, I have experience in Unity and Adobe Dreamweaver. The skills I've attained at the University of Tampa in 3D and 2D animation along with cinematography and post production have prepared me for a job at your company.

I look forward to speaking with you regarding a position within your company. I would be pleased to provide a copy of my portfolio of work upon your request. Please feel free to contact me at my email, ryan.watkins@spartans.ut.edu or my phone number, 813-501-7272. Thank you for your kind consideration. I look forward to hearing from you.

Sincerely,

Ryan Watkins
